

City of Tracy National Night Out

'Give Neighborhood Crime and Drugs a Going Away Party'

Neighborhoods throughout Tracy are invited to celebrate National Night Out (NNO) 2023, which is one of the most important Crime Prevention events of the year. Each year NNO has become one of the most anticipated events in our community.

On Tuesday, August 1st, 2023, The Tracy Police Department will be on the road again with partners from the community and local businesses who are committed to making a difference in Tracy. The visitors will include members of the Tracy PD staff, volunteers, and city officials. We will join your neighbors to support their efforts to **'Say Goodbye to Crime'**.

On this evening, we hope to inspire you to get out and celebrate the **40th Annual National Night Out** with your neighbors. We encourage you to support your neighborhoods while enjoying pot-luck dinners, BBQ's, ice cream socials, activities for adults and children, or whatever you decide. It's always a great time to celebrate life at home while building new relationships within your neighborhoods.

If you are interested in registering your NNO activities, please complete a registration form.

Also, **please indicate open to the public if you would like your party location shared on social media for increased attendance (if your party will be at a local park or other public location).**

Please return your completed forms to the Tracy Police Department-
