**The Tracy Police Department Requests Help from the Public in Locating the Subject Responsible for Multiple Vandalisms**

**TRACY, California** — Since April 19, 2023, the Tracy Police Department (PD) has been made aware of several incidents where two local taquerias have been vandalized.

Based on the surveillance footage recovered from local businesses, the same subject is seen using river rocks to break windows at each establishment. The subject appears to be a dark-skinned male adult, believed to be African American, wearing a face covering during each incident.

Tracy PD Patrol Officers are conducting additional patrols in the area of the businesses that have been targeted.

As the investigation into the identity of the subject is currently being handled by detectives from the General Investigations Unit (GIU), they are looking for assistance from the community to help identify the subject in the photographs.
