

## FOR IMMEDIATE RELEASE

December 12, 2025

### **Celebrate the Holiday Season Responsibly**

*National "Drive Sober or Get Pulled Over" Enforcement Campaign Begins Dec. 12*

**Tracy, California** – The holiday season can be dangerous for people on the roads. In December 2023 alone, 1,038 people were killed in the U.S. in alcohol-impaired-driving crashes, according to the National Highway Traffic Safety Administration. The Tracy Police Department wants to remind the public of the dangers of driving impaired and to celebrate the holiday season responsibly by not driving under the influence.

From December 12 through New Year's Day, Tracy PD will have additional officers on patrol looking for drivers suspected of being under the influence of alcohol and/or drugs. The high-visibility enforcement effort is part of a national campaign, *Drive Sober or Get Pulled Over*, with the goal of stopping suspected impaired drivers who put others at risk.

Tracy PD wants to make sure everyone gets home safely so that they can celebrate the holiday season with their families and loved ones. Not only is driving impaired illegal, but it is also dangerous and never acceptable. We ask that everyone does their part to keep themselves and everyone on the road safe.

The Tracy Police Department encourages everyone to stay in for the night or plan ahead by designating a sober driver, using public transit, or calling a taxi or rideshare service if you intend to drink.

Impaired driving is not just from alcohol. Prescription drugs, over-the-counter medications, cannabis products, and other drugs may also cause impairment. If you plan on drinking or taking medications with a driving warning label, let someone who is sober drive. If you see someone who appears to be driving while impaired, call 9-1-1.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.
